Board Specification:

Board Size: 1.81 inch X 0.61 inch
Panel Size: inch X inch
Board Thickness: 0.063 inch
Legend Color: White 2 Sides
Copper Weight: Outer 1.0/1.0 oz
Panelization: 1PNL = pcs.
Blind or Buried vias: NO
Projects on board: 1

Impedance Control: NO
Materials: FR4(TG140)
No. of Layers: 2
Mask Color: Black 2 Sides
Electrical Testing: Yes
Surface Finish: Gold Immersion
Gold finger: NO
Via on Pad: No
BGA/QFN 0
Fine Pitch 0

SMT Pads 24
Holes 11
BOM Line 6
All Parts 8
Double Side N
Lead free N
BGA/Fine Pitch 0
Smallest Pkg 0603
Programming
Conform Coating

Special Requirement:

- All the consigned parts are to be sent as a single shipment from your company
- Please label the parts with the quotation# and Item#, for example(3XXXXA1#3...3XXXXA1#4..)
- For SMT placement, cut tapes are acceptable, an extra 50 pieces are required for passive parts like capacitors and resistors with small packages

- Applicable taxes are not included.
- Shipping fee for Finished products&parts procurement is included and excluded for consigned parts.
- Please indicate Bittele Quote Number on all purchase orders.
- This quote is based on the information available at the time of quotation and may change upon complete engineering review of applicable documentation and purchase order requirements.
- Any special requirements for parts must be listed on BOM, such as parts programming, baking, etc.
- Unless specified all through Hole part leads will be trimmed to 1 mm
- Any parts shortages will result in the delivery delay.
- Boards assembly will be in compliance with IPC-A-610; Class 2.
- Quotes exclude conformal Coating, functional Testing and chips programming
- In no event shall Bittele Electronics liability exceed the amount of the order placed
- Turn Time is our production time(Monday to Saturday) excluding public holidays and UPS shipping time.
- Turn Time subject to change in case of any unanticipated delays

THANK YOU FOR YOUR BUSINESS
